## Wholesale Catalog

FOR

### *Market Gardeners and Florists*

---

This wholesale price list is the only catalog we are issuing this year. The descriptive catalog as previously issued has been discontinued for the duration. While seeds of many varieties are short we shall make every effort to fill orders to the best of our ability but all orders are taken and all quotations herein are subject to sold out and market changes. To the best of our knowledge no varieties, on which ceiling prices apply, are priced higher than our legal ceilings.

#### **FREE TRANSPORTATION**

All seeds quoted herein are shipped anywhere in the United States or its possessions by Parcel Post, Express or Freight, our option, all transportation and packing charges paid by us excepting Peas, Beans and Corn which we cannot ship prepaid beyond the 4th Parcel Zone unless accompanied with a general order for other seeds. The only instances where you should remit transportation are on garden accessories which are marked "not prepaid." Where a specific transportation method is requested goods will be shipped charges collect.

#### **C.O.D. ORDERS**

Due to labor shortage and the extra work involved in making C.O.D. shipments we request that remittance accompany all orders. This will facilitate quick handling and save you the C.O.D. and Money Order return expense.

#### **OUR GUARANTEE**

We guarantee the safe arrival of your seeds. We will refund your money or give value in other seed if, after properly testing at time of receipt, our seed fails to grow. Our germination test is printed on all packages (not packets) we send out.

#### **NON-WARRANTY**

Contingencies continually arising prevent the very best seeds always giving satisfaction. For these reasons, it is impossible to guarantee seeds under all circumstances; therefore "The Livingston Seed Company gives no warranty, express or implied, as to the productiveness of any seeds or bulbs it sells and will not be in any way responsible for the crop. Our liability, in all instances, is limited to the purchase price of the seed."

#### **PARCEL POST RATES**

Where you must remit postage, determine the weight of the article and ask your postman for the amount of postage required from Columbus, Ohio to your address and remit that amount.
